

“ If you are looking for a sparkling wine to serve with your holiday prime rib roast, Champagne Delamotte has the answer. It is a Rosé made primarily of Chardonnay and Pinot Noir from cru vineyards including Le Mesnil-sur-Oger, Avize, and Oger. The golden red-orange color is courtesy of Pinot Noir from Ambonnay, Bouzy and Tours-sur-Marne. It is a vibrant, spicy wine with red currant fruit mingling with notes of ginger and cloves. An exuberant, mouthful of tiny bubbles is supported by zesty acidity. Red wine lovers will appreciate a light, tannic mouthfeel in the finish.
