

CHAMPAGNE DELAMOTTE

BLANC DE BLANCS
2014

66 94

...the 2014 Champagne Blanc de Blancs Brut is fresh and precise, with aromas of vibrant green apple, pleasant reduction with flint, and delicate smoke, citrus blossoms, and wet stone. The transition to the palate is seamless and linear, with crisp and crunchy green fruit, and is electric with lime candy, a refined mousse, and a chalky texture. It warrants more time before opening, but it is delicious and refreshing now. Drink over 2023-2043.
