

# CHAMPAGNE DELAMOTTE

## ROSE

---

93  
POINTS

**“ This wine has been meticulously crafted using a unique blend of the house Chardonnays, comprising 88 percent of the mixture, and the remaining 12 percent is complemented with Pinot Noir that's red vinified. It boasts an inviting nose, with floral and red berry notes. The palate exudes a multi-dimensional complexity with a balanced acidity that doesn't detract from the concentrated fruit. ”**
