

JEB DUNNUCK

92 points

“ The NV Champagne Rosé is a blend of 80% Chardonnay and the rest Pinot Noir, with the base of 2019, and 15% still red wine. It pours a salmon/orange-tinged hue and opens in the glass to fresh, floral, pretty aromas of nectarine, salted orange, fresh rose petal, and curry spice. Medium-bodied, it has a wonderful chalky and pithy texture, with a pinpoint mousse that’s almost an afterthought. Ripe with fruit but well-balanced and long, with mouthwatering acidity, its spicier notes (cardamom, perhaps?) start to reveal themselves as it opens, and the wine lasts long on the palate. It is quite distinctive. Drink 2024-2040. 8 grams per liter dosage. ”
